EyeBio

INVITATION

Restoret™ (EYE103)

Inaugural Investigator Briefing

Meeting 1: Thursday, February 23 at 20:30-21:30 EST | 02:30-03:30 CET
Meeting 2: Friday, February 24 at 12:00-13:00 EST | 18:00-19:00 CET
Virtual (Zoom)

The EyeBio team is delighted to invite you to the Inaugural Restoret Investigator Briefing. We are bringing together our selected investigators for an exclusive, first-time discussion of our first asset, Restoret and review of the associated AMARONE clinical trial.

David Guyer, MD
Co-founder, President and CEO
Introduction to EyeBio

Tony Adamis, MD
Co-founder, CSO
Scientific Overview of Restoret

Jon Prenner, MD
CMO
Review of AMARONE trial design

EyeBio thanks you and your teams for being a part of the Restoret program.
We look forward to telling you more about EyeBio next month and to working with you on the AMARONE trial.

Respectfully,

David Guyer Tony Adamis Jon Prenner
